or renovate your kitchen will only cost a fraction of it these days.

If you're collecting keys for a new BTO flat, then head over to our **BTO Kitchen Renovation Package**. The package below renovating both kitchen and two bathrooms. Which is generally what the majority of homeowners go for whether they resale flat.

Cost of renovating kitchen and bathrooms

Obviously, much depends on various factors such as:

- (1) The size of your kitchen,
- (2) The size and number of bathrooms,
- (3) The materials you will be using for your cabinets,
- (4) The quality of your kitchen top and sink
- (4) The choice and design of the bathroom fittings
- (5) The types of floor and wall tiles etc.

These are generally some factors that affect the cost of renovating your kitchen and bathroom. But they are by no means

Whether you are improving or giving your current kitchen a face-lift. Whether you are just upgrading your bathroom or in a new home. And whether you have a small kitchen or on a budget to spruce up your bathrooms, we will tailor to you

The following kitchen and bathrooms offer is one of our most popular and comprehensive renovation package for kitchen look and we would love to hear from you.
